

What is Operation Round Up?

Operation Round Up is a program designed to collect donations that will be used to benefit charitable organizations and the communities within the WCE service territory.

How did Round Up begin?

The program was created by Palmetto Electric Cooperative in South Carolina in 1989. Since that time, the program has been adopted by more than 200 electric cooperatives nationwide and 18 cooperatives in Missouri. WCE has participated in the program since Sept. 1, 2018.

How does Round Up work?

WCE members who want to participate have their monthly bill rounded up to the next dollar. For example, if your bill is \$65.50, it would be rounded up to \$66.00. A bill of \$59.99 would be rounded up to \$60.00. The funds collected are placed into the WCE Round Up Foundation and are donated to charitable organizations through an application process. WCE Round Up Foundation does not keep any of the money collected. On average, a member will donate \$6.00 a year. Your donation is tax deductible, and you may opt out simply by contacting the cooperative if you do not wish to participate.

Why get involved in Operation Round Up?

WCE exists to serve the changing needs of members by enhancing the quality of life through support of community developments and identifying and serving the members' energy needs. By adopting the Operation Round Up program we can continue our commitment to our local com-
