

Oak Grove office will temporarily close Feb. 4 for building renovations

In an effort to better serve our members and improve facility security, renovations will begin February 4 at the Oak Grove office. The last day the office will be open for normal business will be Friday, February 1. If everything goes according to plans, we hope to have the office reopened by June 1, 2019.

How this will affect our members:

These renovations will temporarily close this location, but members will still have a variety of ways to conduct necessary business with the cooperative, and business will carry on as normal.

Response time to outages will not be affected, as trucks and crews will continue to be stationed for access from the Oak Grove area.

Members needing to speak to West Central Electric employees directly can still call 800-491-3803 or 816-565-4942 to reach a representative.

Options for paying your bill:

- The drive-up drop box will continue to be available at the Oak Grove location, and will be checked on a daily basis.
- By mail at P.O. Box 452, Higginsville, MO 64037
